Student Social Event

University Center, Maui is hosting another event for all distance learning students currently in UH Hilo, UH Manoa, and UH West Oahu programs supported by the Center! The social will be on Wednesday, April 16th, 2014, from 5:30pm - 7:30pm in Laulima 212 on the UH Maui College campus.

Last fall semester was our first-ever student event! This was a chance for students to connect and included a panel of distance learning students sharing their experiences and tips for success. This semester we are bringing in an expert on job placement and career-planning. Cheryl Rietz is currently the Career Counselor for UH Maui College. She has planned a fun assessment activity to help you find the right career.

The event is also an opportunity to interact with students in the same program and campus. Activities will include:
* A short workshop on career planning
* A chance for socialization (Food! Music! Mingling!)
* Updates on tools, resources, and support services for distance learning students

Meeting and interacting with other students can widen your support base and give you access to more resources to succeed. We look forward to seeing you there! As always, we welcome feedback, comments, and suggestions on how UH Center can better serve our students.

Anyone who stops learning is old, whether at twenty or eighty. Anyone who keeps learning stays young. - Henry Ford
